

ALSDORF MEASURE PASSES

Larger Cities Opposed Bill But Without Avail

WERE MANY SKIRMISHES

Bill Devises Plan by Which Tax Rate of State Shall Not Exceed 1 Per Cent.

Columbus, O., March 23.—Despite the continued charges made by the enemy the Alsdorf bill, limiting the tax rate to 10 mills, or what is better known as the 1 per cent proposition, has passed the senate by a vote of 25 to 7.

Through all of the skirmishing not an amendment of the opposition carried, and the only additions to the bill were made by the author, and they were of a corrective nature.

The strongest fight was made by the senators from the larger cities—Cincinnati and Cleveland—who attempted all sorts of tactics to delay its passage.

If it was not a motion to adjourn it was one to recess, until the friends of the bill, firing at the actions of the bushwacking of the insurgents, demanded the previous question.

The bill was in the position of having been read a third time, and was up for a special order at 2 o'clock Tuesday afternoon. It was Governor Harmon's idea, and the whole trouble came from the Republican side of the chamber.

Remanded as it was, and with a feeling that no further delay would be sought, when the hour for the order arrived, the author himself, Senator Walter A. Alsdorf, of Licking county, opened the breach through which others followed. It was assumed by the friends of the bill that all the amending necessary had been accomplished.

Senators Bader and Johnson, of Hamilton county, and Phares and Mendelson, of Cuyahoga, began the assault. Senator Johnson wanted to exempt schools and universities, but he afterward withdrew the amendment.

Senator Alsdorf sent in an amendment, which it was charged conflicted with the Longworth bond limit act.

Senator Patterson, of Ashland county, demanded a division of the question, but before this was done the amendment of Senator Alsdorf was withdrawn.

Further filibustering was resorted to, but always failed. Senator Patterson attempted to put his amendment through by another avenue, whereby the city council, by ordinance passed by three-fourths of the members, elected and approved by the mayor, could authorize an additional levy in excess of the 10 mills.

Senator Alonzo Tuttle, of Franklin county, discovered in his amendment that it would mean that the entire purpose of the bill was destroyed if adopted. He offered an amendment that such an additional levy should not exceed 15 mills.

The fight came on this, and upon a motion of Senator Nathan O. Mather, of Summit, the senate went into a committee of the whole.

The vote stood 16 to 16 on the motion, and President Treadway voted for the motion. It was the first time since he has been in the chair that Lieutenant Governor Treadway was called upon to settle a tie vote. Senator Milton Rathbun, of Meigs county, was called to the chair.

He had hardly warned the seat before it was discovered that under the circumstances, as the bill had been read the third time, the action of the senate in going into a committee of the whole was clearly out of order.

Some of the senators, whose constituents wanted the bill to pass, favored this procedure for the reason that no record is kept. Senator Mather, before it was learned that the action was out of order, moved to recommend to the senate that the bill be postponed. His wishes, however, were never realized, as the committee was compelled to rise.

DEMOCRATIC LANDSLIDE MAY MEAN CHANGE OF COMPLEXION OF HOUSE FOR NEXT SESSION

Washington, March 23.—Seldom has a political event created such commotion in Washington as the Democratic landslide of yesterday in the Old Colony section of Massachusetts, when Eugene N. Foss was elected to congress by a plurality of nearly 6000 votes, as against a Republican plurality of 14,000 for his predecessor, the late William C. Lovering. For the moment it has been directed mostly at the bill as it related to cities.

CALL OF THE ROLL.—The call of the roll showed the vote: Yeas—Alsdorf, Beatty, Cameron, Cetoje, Cleveland, Cory, Crawford, Dean, Deaton, Duval, Gillette, Huffman, Keller, McKee, Mahaffey, Mather, Mooney, Patterson, Rathbun, Slater, Thompson, Tol, Tuttle, Williams, Yount.

Nays—Bader, Baker, Johnson, Kuhl, Lawyer, Mendelson, Phares. Absent—Gotschall, Mathews.

WHAT BILL DOES.—The bill, which will have to go to the house for concurrence, devises a plan by which the tax rate through the state shall not exceed 1 per cent. It provides that the aggregate taxes levied in 1911 shall not exceed the aggregate amount levied in 1910 by 5 per cent; by more than 8 in 1912 and by more than 12 per cent in 1913 and 1914. The maximum rates of taxation for purposes as now fixed shall be changed so that each of the maximum rates applied to the total valuation of all taxable property in the taxing districts for the years of 1911 to 1914 would produce the same amount of taxes as the present maximum rate for such purposes applied to the total valuation of all taxable property for the year 1910.

Except as otherwise provided in the act, the aggregate rate of the taxes levied for all purposes upon taxable property for 1911, and for any year thereafter, until the next quadrennial reappraisal of real estate becomes effective, including levies for state, county, township, municipal, except sinking fund and interest, and other purposes, shall not exceed 10 mills on each dollar of such property.

The maximum rate to be levied shall bear the like ratio to such 10 mills upon the dollar as the maximum rate now authorized to be levied bears to the maximum rate now authorized by law to be levied against such property.

If the levies in any one year are insufficient, the proper taxing officials shall submit the question to the vote of the people, but the amount raised shall not be in excess of the amount raised in 1910, plus the additional percentage increases as are provided. A majority of votes cast at the general election, to which the question is submitted, shall decide that the increase be made.

The auditor, if he has reasons to believe that any one is dodging his taxes, shall proceed to correct the returns. The person making the false returns shall pay all of the costs and expenses of making the corrections. The provisions of the bill do not apply to the levy or collection of taxes for 1910, or for the assessment of personal property for the same year.

The opposition to the bill declare it will never stand. They insist that a 1 per cent levy in the larger cities is not sufficient to pay expenses. Senator Alsdorf, on the other hand, says that it will, and that this will be brought about by the fact that large owners of personal property will list them.

The house this afternoon by a vote of 106 to 0, passed the Elson bribery investigation bill.

AUTO

Struck by Interurban Car and Maj. Slucum's Wife Killed. Gen. Bell Injured.

Washington, March 23.—In an automobile accident in the suburbs today Mrs. H. J. Slucum, wife of Major Slucum, stationed at Governor's Island, was killed and General J. Franklin Bell, chief of staff of the army, slightly injured. Their automobile was struck by an electric interurban car and completely demolished.

MT. VERNON FIREMAN RESIGNS POSITION

Mr. Vernon March 23.—Wm. S. Sweeney, who has served in the Mt. Vernon fire department for 21 years, has tendered his resignation. Mr. Sweeney was the driver of the hose wagon but he has been in bad health recently and this caused him to resign.

WOMAN IN THE CASE

Lexington, Ky., March 23.—Thomas McNamara, a prominent politician, was shot and killed here this morning by Thomas McNamara, an upholsterer. The tragedy occurred at the home of McNamara, and his wife is said to have been the cause.

ROOSEVELT BUSY WITH MANUSCRIPT

Made Last Public Appearance in Luxor This Afternoon

OFF FOR CARO TONIGHT

Will Not Be Asked to Address Methodist Church on His Visit to Rome.

(By a Staff Cor. U. P.) Luxor, Egypt, March 23.—Col. Theo. Roosevelt spent the entire morning in his apartment in the Winter Palace Hotel, preparing the manuscript for his European lectures. These lectures are rapidly being whipped into shape, although every time the colonel gets a respite from receptions and sight-seeing trips, he revises them in some slight way.

At 3 o'clock this afternoon, the colonel made his last public appearance in Luxor, addressing the pupils and teachers of the American Presbyterian Girls' School Mission.

The theme of this address was along the line of his other speeches in Egypt, modified to fit the occasion. He spoke of the tremendous progress made in Egypt under English rule and paid a high compliment to the civilizing work being done by the churches. He told of the impression made upon him by the missions in British East Africa and the Uganda protectorate, which he visited. He warned his hearers against permitting an adherence to creed to blind their eyes to the great truth that the highest mission is to teach right living and to set an example of right living. This example, he contended, was particularly required of missionaries trying to win a people to the Christian religion.

The departure from Luxor for Cairo will be made at 7 o'clock this evening. Nearly all the Americans in the town gathered at the station to bid the party farewell. Cairo will be reached tomorrow afternoon.

PRESIDENT'S VISIT TO ROME.—Rome, March 23.—Ex-President Roosevelt will not be asked to address the American Methodist church when he comes to Rome, according to a statement today by Prof. Edward B. Spencer, of the sars there have been no negotiations Methodist college. Prof. Spencer with Mr. Roosevelt regarding an address to the church since December, 1908, when the church authorities wrote to him.

Mr. Roosevelt replied at that time that he would make no addresses in Rome, and the Methodists dropped the matter. It is hoped Col. Roosevelt will find time to visit the Methodist church and college, but if he does, it will undoubtedly be after his audience with the pope April 3. Thus there will be no embarrassment such as resulted from the Vatican's cancellation of its invitation to former Vice President Fairbanks because he addressed the Methodists before the date set for his reception by the pope, which made the reception impossible.

Mr. Roosevelt will be received by King Victor April 4. A state dinner will be given in his honor. Queen Helena is also planning a function in honor of Mrs. Roosevelt and Miss Ethel, an unusual distinction.

TRIUMPHANT

WILL BE COL. ROOSEVELT'S TOUR OF EUROPE IN SPIRIT OF PROTEST.

According to English is Most Interesting Personality in World Today—Predict His Election to Presidency.

London, March 23.—The title of a private citizen which Col. Roosevelt wears, is now a talisman in Europe today that indicates anything. Nothing could indicate this more clearly than the preparation being made in the capital where the colonel is soon to visit, to receive him with proper distinction. Although he insisted on being received in an unofficial capacity, his trail through Europe will be one continuous and triumphant fanfare.

According to the English viewpoint, Col. Roosevelt is the most interesting personality in the world today. The English are also of the belief that he will be made president again on his return to America.

Most of us grow old before we know it.

MEN WHO ARE PLANNING TO CONTROL THE COTTON OF THE U. S.

New York, March 23.—With the return of Daniel Sully to the United States from his recent trip to Europe, a great cotton campaign is expected. Sully, who gambled in the cotton market many years, deserted the exchange on the cotton gin, and with the backing of the millions of John Hays Hammond and his associates, a new control of the new cotton gin invented by Professor H. O. Doremus of Washington, D. C., is being organized. Sully has a \$10,000,000 company in London for the handling of Egyptian cotton with the Doremus patents. The English barbers are so interested in the new combination of Sully and Hammond that they are coming to the United States to help push along the combination here. While Sully has announced he will co-operate with cotton growers, Wall Street is anxiously waiting for an announcement of the formation of a trust that will be of great magnitude in buying cotton from the planter and shipping it to European markets.

MANZ GIRL

Taken to Stark County Jail at Canton to Await Trial—Girl's Story Discredited.

Canton, O., March 23.—Katherine Manz, 16 years old, charged with the murder of her nineteen-year-old sister, Elizabeth, is today a prisoner in the Stark county jail, where the only cell used for women is the dungeon provided for the punishment of incorrigible prisoners. The cell is 8 by 16 inside and built of sheet iron. The ventilation is a window 36 by 20 inches, meshed by wide sheet iron slats.

Women who are kept in there usually sicken within a few days, said Sheriff Wilson today. Katherine is permitted to see no one except her attorney, Robert Day, who will endeavor to bring her to trial in the juvenile court.

Coroner Marion is preparing to begin the inquest at once. Prosecutor Kirchbaum has dropped the active search for the unnamed man implicated by Katherine's statement's concerning the death of her sister. The authorities discredit this story.

SETTLEMENT

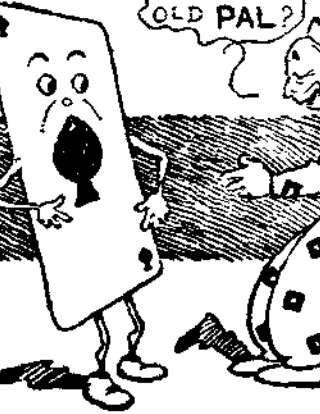

Of Difficulties Between Firemen and Western Roads Will Probably Be Made.

Chicago, March 23.—With both sides virtually agreed upon a plan of settlement, the outlook for the peaceful adjustment of the difficulties between the firemen and the Western railroads is brighter today than at any time since negotiations began. After remaining in session until after midnight, adjusting minor points, the representatives of both sides met with the federal mediators again today.

The federal board of arbitration, adjusting the difficulties of the switchmen employed in the yards of eight middle western railroads, has granted the switchmen a wage increase of three cents an hour.

WHAT IS IT?

HOW ARE YOU OLD PAL?

A building. Answer to Tuesday's puzzle—Salor.

SCRAPPER JOHNSON IN THE TOILS

Runs Up Against the Wrong Judge in New York

RELEASED ON \$5000 BAIL

Subject to Call From Any Part of Country—Charged With Tampering With Court.

New York, March 23.—Jack Johnson was remanded to the custody of the sheriff today in default of \$5,000 bail and will be subject to a call from any part of the country as soon as Norman Finner, complaining witness against him in the pending assault case is found.

The big negro also faces the possibility of a charge of spiriting the complainant and other witnesses out of the jurisdiction of the court. The grand jury will be requested to take up this phase of the case immediately and evidence to that effect obtained by the process servers will be placed in the jury's hands.

Johnson and his attorney, James Nugent, pleaded excitedly before Judge Mulqueen but failed to move him from his decision, the only added statements from the court being that "this court cannot be trifled with" and a refusal to allow Johnson to be paroled in the custody of counsel. The big negro's smile was missing and he hesitated for a moment when an officer showed him to a seat inside the prisoner's rail.

Process servers had been hunting for the complainant, Norman Finner, since Sunday, and reported this morning that neither he nor the other witnesses could be found. When the case was called Johnson sat with a crowd of friends smiling broadly. The papers were handed to Judge Mulqueen, who submitted them for a moment and then announced his decision, denying the motion of Johnson's counsel to dismiss the case.

Woods Bill Will Have Strong Opposition, But Its Passage is Expected by Solons.

FAVORABLE

REPORT TO BE MADE BY JUDICIARY COMMITTEE OF BI-PARTISAN INVESTIGATION.

Columbus, March 23.—The judiciary committee of the house will report for passage this afternoon the Elson resolution calling for the appointment by the speaker of a bi-partisan committee of four to direct an investigation into the bribery charges in connection with the passage of the Elson telephone bill. The senate will have no part in the investigation.

The amendment to the Woods bill, forced as a compromise with a thoroughly organized opposition, leaves the bill still a strong and effective measure. The state retains absolutely the regulation of rates and service and the control of stock and bond issues.

Troubles like that of Akron, Newark and other cities over the fixing of rates in connection with existing indeterminate franchise are to be settled by the commission as arbiters when council and corporation are unable to agree. Although the bill will have strong opposition its passage is expected.

FOUND DEAD IN BATH TUB.—Zanesville, March 23.—Charles A. Miller, a prominent jeweler of Malta, died in his bath tub of heart failure this morning.

SECOND SLATER TRIAL.—Columbus, March 23.—The trial of Mark Slater on the same indictment under which he was recently tried when the jury was deadlocked, was begun here today before Judge Dillon, with J. A. Brinkford of Dayton, once more on the stand.

CLOSE DOWN FOR REPAIRS.—The Heisey glass works has been closed down, pending a settlement, it is reported, with the carrying in boys and "snappers" who went out on a strike a few days ago. An Advocate reporter called up one of the head officials of the plant, and in answer to his query as to what was doing he said: "I have nothing to say." It is probable, however, that the Heisey people are taking advantage of the situation to close down the works in order that much needed repairs can be made.

UNWRITTEN LAW.—Successful Plea of Woman Who Threw Acid in Face of Charlotte Wilburn, Causing Her Death.

Clarkburg, W. Va., March 23.—Mrs. Prudence Pollock, charged with murdering Charlotte Wilburn by throwing acid in her face, was successful today in the criminal court here in her plea of the unwritten law. She said her victim had won her husband from her and broken up her home. The jury returned a verdict of involuntary manslaughter. The maximum penalty is a year in jail.

NO FITTINGS MADE
ON SATURDAYS.

You Can't Afford to Wait

Tomorrow will be Thursday—only three days before Easter. Don't make the mistake of coming in Saturday for your Easter Coat or Suit and waiting it for Sunday. FORMERLY LIVED AT GRANVILLE

Granville, March 22.—The news of the suicide of Elmer Davidson in Detroit was received here with considerable surprise by many persons in Granville. For eleven years Mr. Z. P. Davidson, father of the young man, was the efficient janitor of Shepley's office, this place, and Elmer was quite well known by many of the younger people of the village. A number of the former friends of the deceased went down to Newark Wednesday afternoon and attended the funeral.

"FAKE MEDICINES"
are fast being eliminated from the market by the action of the Pure Food and Drugs Law, but there are many dependable, advertised medicines, such as the Cod Liver and Iron preparation called VINOL, constantly prescribed by reputable physicians who are successful and honest enough to recognize the intrinsic merit of such a preparation. This combination of two world famous tonics builds up the system when run-down and weakened by sickness or age quicker than any other means. Frank D. Hall, Druggist, Newark, O.

LIBRARY WORTH SELF DENIAL

An inexhaustible mine of pleasure and joy for the boy or girl who loves good books and has access to them. Without effort on the part of the borrower they are sent on the street and from the company of the idle and vicious and are serving their minds with useful knowledge or are being treated with pleasure and noble purposes. Thus they develop into men and women who are an honor to their parents and worthy citizens of our great republic.

Such is the product of a Free Public Library. Is it not worth the small outlay it will cost? Many a laboring man spends more money in a week for tobacco than the maintenance of the library would cost him in a year. Is not the education and the development of our bright boys and girls worth a little self-denial?

We all desire that our children shall have better opportunities than we have had, and not have to work as

we have worked. Here is an opportunity to help them help themselves, which is the very best help that can be given any one. Let's be "bookish" and help ourselves, help our town, and help our boys and girls by immediately supporting the library proposition.

Lumber? Well, I guess, if what you want is not in our stock, it will be hard to find elsewhere. Largest stock in Central Ohio. Prices always right. The P. Smith Sons Lumber Co. 3-1400-d-11

In Woman's Realm

On Thursday afternoon at the home of Mrs. B. E. Rutherford, 22 Fulton avenue, the Sewing Society club and the L. E. C. club met. They were royally entertained by the hostess and the afternoon was spent in sewing and games, after which a two-course luncheon was served. The day being St. Patrick's day the house was decorated for the occasion and the guests were seated at the tables by means of shamrock place cards.

Those present were: Mesdames Rhoads Anderson, A. H. Marple, Orval Krieger, Clyde Douglas, Dan Dougherty, L. W. Whitehead, O. P. Baling, Fred Hedrick, Charles Van Voorhis, Frank Kelley, Mrs. Alexander, Miss Louise Andrews. The guests of the club were: Mrs. J. W. Brown, Mrs. Earl Sayer, Mrs. McLaughlin, Miss Elsie Van Voorhis. After the luncheon a business meeting was held. The next meeting will be held at the home of the president, Mrs. Anderson. The club was treated to some choice music, both vocal and instrumental, given by Miss Dorothy Alexander, Miss Ruth Deaugh, Master Russell and Miss Hazel Rutherford. At a late hour all departed after visiting the hostess's royal entertainment.

The Unity Reading circle held its annual business meeting on Tuesday afternoon at the home of Miss Margaret Lacey in North Morris street. The meeting was noted in the club-year book with the following appropriate verse:

"You'll take it all calmly, we want to see what a peaceable fight such a contest can be. And of one thing be certain how'er it ends, You'll find that OUR votes have elected YOUR friends."

The following officers were chosen to serve during the ensuing year: President—Mrs. E. E. Moore.

First vice president—Mrs. J. S. Rugg.

Second vice president—Mrs. D. J. Simpson.

Recording secretary—Mrs. T. C. Coulter.

Corresponding secretary—Mrs. H. S. Darlick.

Treasurer—Miss Blanch Murphy.

Librarian—Mrs. H. W. Rhoads.

Program committee—Mrs. L. D. Fout, Mrs. Grant Birch and Miss Margaret Lacey.

After the business session Miss Lacey served the members of the club with a Spanish dinner in Spanish style. The decorations were Cuban flags.

On Tuesday afternoon Mrs. Chandler Tucker of Hudson avenue entertained a few friends very informally with a thimble party out of compliment to Mrs. W. R. Hopkins, who leaves in a few days for her future home in Columbus.

Mrs. Ellen O'Bannon of 145 West Locust street is today celebrating the eighty-sixth anniversary of her birth and in honor of the event her children and their families surprised her by gathering at her home this morning with well filled baskets and spending the day, which passed most happily. The honor guest was the recipient of a number of beautiful gifts and also of a postal shower consisting of many pretty cards sent by her friends both far and near.

The Wednesday Sewing circle is holding a business session this afternoon at the home of Miss Bertha Fulton in West Church street.

Mrs. T. M. Jones of East Main street was hostess to the Tuesday Euchre club this week and besides the members of the club entertained the game there were Mrs. Julius Becker, Mrs. Clifford Sturgeon, Mrs. Frank Hall and Mrs. Chris Hermann.

The Twentieth Century club will be entertained on Thursday afternoon by Mrs. Frank Mercer of North Sixth street.

The G. R. C. club was pleasantly entertained this afternoon by Miss Virginia Warner of West Locust street and after the literary discussion a dainty repast was served. Miss Warner's guests were Misses Beatrice Birch, Louise Henderson, Elizabeth Clayton and Esther Hirst.

Dr. and Mrs. H. J. Holbrook of West Main street entertained the members of the Social club on Saturday evening. At six o'clock all were guests of Dr. and Mrs. Holbrook at dinner in the First Presbyterian church parlors following which they returned to their cozy home and enjoyed a game of progressive euchre. The guests were Mr. and Mrs. T. M. Jones, Mr. and Mrs. Elmer Moore, Mr. and Mrs. J. L. Worth, Mr. and Mrs. Chris Hermann and little son.

The Royal Society Circle is convening this afternoon at the home of Mrs. Joseph Ranz in West Church street and after a few pleasant hours spent in sewing a dainty repast will be served.

The guests of the club are: Mrs. Henry Cordray, Miss Elizabeth Weber, Mrs. Edward Sharpe, Miss Margaret Stewart, Mrs. Stevens of New York City and Mrs. S. T. Rounds of Chicago, Ill.

IN COLORED SOCIETY.

The marriage of Miss Essie Baulah Norman to Mr. George Gussars Weaver will be solemnized at eight o'clock this evening at the home of the bride's parents Mr. and Mrs. Frank Norman in Poughkeepsie street.

MARRIAGE LICENSES.

Imperial Rice Coffee

RECIPES FOR MARCH 24, 1916.
FISH CROQUETTES.—Pick to pieces one pint of cold boiled fish. Put one-half of a pint of milk over the fish in a double boiler. Rub together one large tablespoonful of butter and two of flour, add to the hot milk and stir until a smooth thick paste is formed. Add the yolks of two eggs, cook for a moment, take from the fire, add the fish, one-half teaspoonful of onion juice, a rating of nutmeg and salt and pepper, mix carefully and turn out to cool. When cold form into small cylinder-shaped croquettes. Dip in egg and then in bread crumbs and fry in smoking hot fat. This should make twelve or thirteen croquettes.

IMPERIAL RICE.—In a double boiler put three cupfuls of milk, one-quarter of a teaspoonful of salt and half cupful of well washed rice. Cook until the milk is thoroughly absorbed, then add one-third of a box of gelatine soaked in cold water and dissolved over steam or heat. When the mixture is cold and beginning to thicken add one-half cupful of powdered sugar, one teaspoonful of vanilla, one-quarter of a cupful of sherry and lastly one-half a pint of cream whipped to a stiff froth. Turn into a wetted mold and set away in a cool place until ready to use.

MRS. A. A. BROWN SUFFERED SEVEN YEARS

Agony of Rheumatism Overcome by Rheuma and Evans' Drug Store Guarantees It.

"For seven years I suffered greatly with rheumatism in my hips; at night was scarcely able to lie down to sleep. Less than one bottle of Rheuma cured me and I believe Rheuma is the best remedy known for rheumatism."—Mrs. Alice A. Brown, 29 Kane St., Buffalo.

Rheuma will drive the uric acid from your system; will renovate the kidneys and put new energy into them. Evans' Drug Store thinks so well of Rheuma that they sell it on the no-cure no-pay plan. 50c a bottle. Mailed by Rheuma Co., Buffalo, N. Y.

English Marhue relieves Neuralgia of the stomach in short order. 25c a box at Evans' Drug Store. Mailed by Rheuma Co., Buffalo, N. Y.

JOS. KUSTER, SR. CELEBRATES HIS 74TH BIRTHDAY

Tuesday marked the seventy-fourth birthday anniversary of Joseph Kuster, sr., one of this city's most highly respected pioneer residents and in honor of the event, his son, W. C. Kuster, arranged a birthday dinner, a number of old friends being invited into help celebrate the occasion.

Uncle Joe sat at the head of the table and to his right was a large birthday cake, which he lighted with snowy jellies and which he later carved and handed around to the guests. It had 74 raised disks upon the surface, indicating Mr. Kuster's age. The dinner was served in the upstairs dining apartments of the Kuster & Company's restaurant and was under the personal supervision of Mr. W. C. Kuster. Handsome American beauty roses covered the table and the following appetizing menu was served:

Fried Pickerel Parsley Sauce
Puffed Bread
Lettuce Egg Sauce New Tomatoes
Roast Turkey Cranberries
French Peas Dutchess Potatoes
Frog Legs Cream Dressing
Ice Cream Olives
Cakes Cigars

After all had partaken of the elegant repast a social hour followed the passing of imported Libanias, during which time Mr. Kuster and a number of his guests related experiences in the piscatorial line which were hugely enjoyed by all.

Mr. Kuster came to this country from Baden, Germany, in 1849, and located in Delaware, coming to Newark shortly afterwards. He next left here for Chillicothe, where he had accepted a position in the Commercial hotel as a bell boy, making the trip from Newark to Chillicothe in a canal boat. After residing in the latter city three years he left for Columbus, securing work in the Franklin hotel as a porter. He then came to Newark and engaged in the confectionery business with Robert Chandler.

Mr. Kuster next secured a position as baker and second cook at the Murray House in the Lansing block and afterwards served in a like capacity for some time at the Nell House in Columbus. From there he went to Sulphur Springs, near Delaware, where he served as chef in a hotel, coming to Newark a few months later and opening a bakery on South Second street, which at that time was known as "Ginger Bread Row." He purchased the present location of the Kuster restaurant from the late John Koons when he went to war. He also operated a restaurant on West Main street, near the Advocate office, and also the old "Coke" restaurant on the South Side of the square.

Mr. Kuster suffered some from sickness the past winter but aside from an occasional touch of rheumatism, states that he is "feeling finer than a fiddle." He enjoyed his birthday dinner immensely and related tales of the earlier days of Newark and says he

hopes to live to see Newark grow to be a city of 50,000.

His guests upon leaving expressed their delight at having been present and all wished "Uncle Joe" many more such happy birthdays.

PERSONALS

Mrs. Henry Puffer of Hudson avenue returned last evening from Chicago.

Attorney Harry Freese of Chicago, was in the city Tuesday on legal business.

Mr. A. L. Bindings returned home yesterday afternoon from a business trip to Cincinnati.

Charles S. Beyer, a prominent attorney of Oak Park, Ill., was in the city Tuesday on legal business.

Mrs. Henry Cordray of North Fourth street has as her house guest her sister, Mrs. Stevens of New York City.

Mrs. Henry Davis of Clearfield, Pa., after a short but pleasant visit with friends in the city returned home Tuesday.

Mrs. George A. Henry of Columbus, who came here to attend the funeral of her uncle, James M. Browne, returned home Wednesday.

Mr. and Mrs. M. R. Board of Hamilton, O., who have been visiting relatives and friends here for a short time, returned home Tuesday.

S. M. Swickard of 282 Leofler avenue, Columbus, was in the city Wednesday shaking hands with his numerous friends and transacting business.

LECTURE NEXT MONDAY EVENING

The Women's Progressive league of this city has engaged Gertrude Breslan Hunt, a noted lecturer and authoress of Chicago, Ill., to deliver a lecture on "Woman and Social Progress" at the High school auditorium, Monday evening, March 28, Everybody invited.

TERRIBLE CROUP

One Who Knows Recommends a Remedy to Anxious Mothers.

My little boy, who is four years old, has suffered a lot with croup. On several occasions we thought he was gone.

After trying all of the old time remedies and most of the new, I came home one night at midnight, and my wife said, "The boy has the croup again—suppose you get a bottle of Hyomei." "More junk," I said, "but we will circulate our money so they all will get some."

I hastened to an all night drug store, brought it home. In five minutes he was breathing easier. In fifteen minutes he was sound asleep. It broke the croup so quickly that it scared me.

Anyone wishing to cure the croup of a child I hope will give Hyomei a trial.

Nothing you do the best of success, which you surely deserve, I remain, Jos. E. Clark, 606 6th St., S. E., Washington, D. C., Oct. 7, 1909.

Hyomei is a remarkably effective remedy in case of croup and it should be in every home where there is a croupy child. Full instructions how to cure croup comes with each outfit.

Complete Hyomei outfit, including inhaler costs \$1.00 at drugists everywhere and at Evans' Drug Store. It is guaranteed to cure croup, coughs, colds and sore throat.

MI-ONA Cures Indigestion

It relieves stomach misery, sour stomach, belching, and cures all stomach diseases or money back. Large box of tablets 50 cents. Druggists in all towns.

The Powers, Miller & Co.
NEWARK'S BIG DEPARTMENT STORE

THROUGH SERVICE WILL BE INSTALLED TO BUCKEYE LAKE BY GEN. MGR. JONES AND SUPT. MOORE

With the opening of Buckeye Lake Park, the Atlantic City of 30 days from day of sale for a man and his family between Newark and Buckeye Lake and Columbus and the lake, at the rate of one cent per mile.

Buckeye Lake, always a popular resort for the people of Central Ohio, promises to have the most successful year of its history the coming summer, and elaborate plans for the entertainment of visitors are being made by Manager Harris.

Many improvements are under way, and when the park is thrown open to the public the many changes will be appreciated by not only those who live at the lake during the summer months, but by the casual visitor as well.

As has been stated, the car service this summer will surpass that of recent years, and Manager Harris and his able corps of assistants will provide a pleasure resort the equal of which will be hard to find in any of the larger cities.

The state authorities have finished many improvements at the lake which will be appreciated by boatmen and fishermen, and every indication points to a season of thorough enjoyment for the people of Newark and adjacent cities.

YOUR KIDNEYS NEED CLEANING

Every Person, Healthy or Unhealthy, Ought to Give the Kidneys a Thorough Cleaning Right Now.

You clean your teeth daily. You wouldn't think of doing otherwise, and yet the teeth are not one-tenth so important to health, strength, and a long life as the kidneys.

Do you know that the kidneys are little strainers or fine sieves, through which every drop of blood in the body passes again and again?

Do you know that when the blood passes through the kidneys these little sieves strain all the impure matter from the blood and pass it out of the body by way of the bladder?

Well, all this is so, as any physician will tell you, and this being the case, doesn't it stand to reason that these little strainers in the kidneys become clogged with impurities?

And when the kidneys become clogged they are unable to strain the impure matter from the blood, and it stays in the blood and causes diseases in various parts of the body. Take rheumatism for instance, this terrible disease is caused by uric acid in the blood, and uric acid gets into the blood only when the kidneys are clogged up and are unable to properly strain the impurities.

An ounce of prevention is worth a ton of cure when the kidneys are concerned. It's almost as easy to clean out clogged kidneys as to clean your teeth.

Just go to W. A. Erman & Son today and get a bottle of Thompson's Barosma, the most scientific kidney, liver and bladder regulator the world has ever known, take it regularly for two weeks, and all the impure matter in your kidneys will pass through the bladder, and your kidneys will be as pure and clean and healthy as any kidneys can be.

Thompson's Barosma is guaranteed by W. A. Erman & Son to cure all diseases of the kidneys, liver and bladder, or money back. It is a wonderful tonic and blood purifier, and will bring the glow of health to the cheeks of the sick in a short time. 50 cents and \$1 a bottle.

PET FOX TERRIER KILLED BY AUTO

(Communicated)
Permit me the privilege of stating a grievance. Tuesday at 5:25 p. m. I had just turned the corner from Fourth street to Church street when a big red touring car came alongside my phonon, and simultaneously the amazing yell of a dog signaled that said touring car had played the juggernaut to my poor happy-go-lucky "comrade" Sport.

I admit that though I prized the dog very highly (he was a thoroughbred fox terrier) he had a habit of running in the way of automobiles, and so, at last, doubtless, fell victim to his own vice. I say this to exonerate the driver, for I judge that the circumstances must have been purely accidental. But the moral aspect of the question is presented in the fact that occupants of the touring car ignored the death-cry of dear little Sport, and sped along as if nothing had happened. It struck me that these friends might at least have stopped the car long enough to express regret to the owner for the accident, as well as for his monetary loss.

It meant little to me, apparently, that they had killed a little dog, but my four-year-old daughter (can neither eat nor sleep following his demise. Poor old Sport! The world held no canine who was his peer in the estimation of his little keeper. His faithful face was ever loyal and true to her, and he was Mary's lamb, followed her wherever he went. Now, his joyous bark is hushed and his merry little tail shall wave no more welcome forever to dear little Sport. Please be to you.

The people whose car crushed my little Sport—though my sheep accident truly—might have stopped long enough to suggest an epitaph for Sport.

I am, dear Sir, sincerely yours,
MORRISTON THOMAS

N. B. Every shepherd loves his dog.

The Duff Malt Whiskey Co., Rochester, N. Y.

SUPT. F. J. MOORE,
Of the Newark, Columbus and
Zanesville division of the Ohio
Electric railway.

during the park season that will be appreciated by the thousands of patrons who visit this beautiful resort, and especially by the men of Newark, Columbus and Zanesville, who, with their families, spend the entire season there.

There will be no transferring of cars, step on the train at any of the above cities or local stops and step off at the park, as all local trains will be scheduled hourly via Buckeye Lake Park, with a limited service every two hours, direct between Columbus and Zanesville, from 7 a. m. until 7 p. m. In addition there will be scheduled a train leaving Buckeye Lake Park at 8:55 a. m., arriving at Newark at 9:55 a. m., this furnishing means whereby cottage holders can spend the night at Buckeye Lake Park and return to Newark for business the following morning.

Extra equipment will be on hand at all times and in readiness at Buckeye Lake Park, and whenever business justifies, an extra car will be coupled on to take care of any congestion that may arise.

A uniformed inspector will be stationed at the park, whose duty will be to announce trains and keep in touch with the dispatchers, advising them of the volume of the outgoing business in both directions. By keeping extra equipment on hand at Buckeye Lake Park, should a train from any cause be annulled, the dispatcher will fill in the aforesaid train at the park and thus preserve service uninterrupted. It is also intended to hold extra cars at Columbus in order to take care of any special parties going to Buckeye Lake that fail to give notice and expect to use the regular service. By so doing 100 or more people can be taken care of on any train in addition to the regular traffic.

This service will do away with the transfer in both directions at Hebron, which has always been a drawback, and by giving the two-hour limited service direct between Zanesville and Columbus, this will take care of all through traffic.

General Passenger Agent Whittier, with a view of securing a better commuter ticket than has ever been issued, proposes a book

S.S.S. GREATEST OF ALL TONICS BECAUSE GREATEST OF ALL BLOOD PURIFIERS

Any system that needs a tonic needs also a blood purifier, for it is the weakened and impure condition of the circulation that is responsible for the run-down state of health. We have only to recognize the importance of pure, rich blood in preserving health, to realize the danger of a weakened or impure circulation. The great majority of persons are rapidly coming to understand the importance of preventing disease; they know that a poorly nourished system cannot resist germs and microbes, and that a tonic which purifies and enriches the blood will often ward off a serious spell of illness later on.

That Spring is the most trying season on the health is a fact well known to every one. It is the time of year when our constitutions are required to stand the greatest strain, and unless the system receives the proper amount of blood nutrient the health is bound to be affected. The general bodily weakness, tired, worn-out feeling, fickle appetite, poor digestion, etc., come directly as a result of weak, watery blood.

If you need a tonic, you need a medicine that has real blood purifying properties. A great many so-called tonics are mere nerve stimulants, often producing instantaneous exhilarating effect, but acting with decided injury on the system. If your system is weak and run-down you can only tone it up by supplying an increased amount of blood nutrient, and this can come only through pure, rich blood. Any tonic which does not purify the blood is dangerous, because it leaves the impurities in the circulation to constantly prey upon the health.

S.S.S. is the greatest of all tonics because it is the greatest of all blood purifiers; and it is the one medicine you can rely on to supply the system with the best tonic effects and at the same time thoroughly purify the blood. The use of S.S.S. at this time may save you from a long spell of sickness, and it will certainly prepare you for the strain of the long hot summer. Many people have put off using a tonic until the system became so weakened it could not resist disease, and have paid for the neglect later on with a spell of fever, malaria, or some other debilitating sickness. S.S.S. is Nature's ideal tonic and blood purifier. It does not contain a particle of mineral in any form, nor does it contain any of the deleterious nerve stimulants that are used in so many medicines called tonics. S.S.S. tones up the stomach and digestion, rids one of the tired, worn-out feeling, improves the appetite and digestion, and in every way contributes to the upbuilding and strengthening of the entire system. S.S.S. is absolutely safe for persons of any age, and all who are in need of a tonic will find this medicine exactly suited to their needs.

FEELS BETTER IN EVERY WAY

S.S.S. is a good medicine. I keep it in the house all the while. It is an excellent tonic to give strength to the system and tone to all the physical members. It gives appetite and energy and makes one feel better in every way. I have found it also an excellent blood purifier. For months I was troubled with an itching skin eruption on the face, and tried many specialists and many remedies to get a cure, but S.S.S. is the only medicine that seemed to relieve. I am now free of this eruption. I think a great deal of your medicine, believing it to be the best blood purifier and tonic known to the world today.

COLORED MAN ARRESTED ON BIGAMY CHARGE

"If I'd followed by dream of last night I wouldn't have been arrested today," exclaimed Harry Guthrie, colored, who was arrested this morning by Officers Burke and Swank on the charge of bigamy, while he was walking on West Main street.

"I dreamed that the police would nab me if I stayed in town and I ought to have gotten out," Guthrie continued while riding to the city prison in the patrol. The prisoner is being held at the request of the Columbus police department.

Tuesday afternoon a letter was received from Chief of Police Carter of the Capital city, asking that a negro by the name of Harry Guthrie, alias Elwood, alias Reeves, be arrested if found, and that a charge of bigamy be placed against him. A good description was furnished the local police, and the letter further said that Guthrie was well educated and a good talker.

As is usual in such cases the police were all notified and this morning Officers Burke and Swank, who were working on the case, struck a trail. Guthrie had been working at the American Bottle factory until recently, when he secured a job with the Cornell Clothing Parlor, South Park place.

Several local negroes were questioned regarding him, but they all denied knowledge of his whereabouts and after the policemen had left they tried to get word to Guthrie, but their efforts were frustrated. By the police, who shortly afterwards saw their man on the street and recognized him from the description.

Guthrie told Officer Burke that he was married the second time about three weeks ago. His second venture evidently was unsuccessful for according to the story it was wife No. 2 who "peached" on him to the Columbus police and put them on his trail. An officer from Columbus will arrive this afternoon to return the prisoner to Columbus.

PLEASANT VALLEY

Mr. and Mrs. S. P. Divan of near Perryton visited at Mrs. Ethel Divan's Friday.

Mrs. H. W. Priest and Miss Lola Dunn of Forest Glenn visited at G. W. Priest's Friday.

Rev. Kemper preached here Sunday morning at the usual hour.

Care Of The Broom

Some people seem to think that a broom can take care of itself, but a little intelligent care will make quite a noticeable difference in the work the broom will do and the length of time it will wear. A broom that is used every day should be washed once a week and this is most easily done by preparing a bucketful of suds and dissolving a tablespoonful of Gold Dust washing powder in hot water; dip the broom up and down in these suds until the straws are cleaned and bright; then hang up to dry. If a new broom is dipped in hot suds before used, the straws will be toughened and will not break so easily. Do not get the broom down in a corner after it is used, but hang it up.

STENOGRAPHER

FOR RUGGLES-GALE CO., BEFORE PROBERS, IMPLICATES FORMER FIRE MARSHAL.

Testifies That Marshal Hollenbeck Consented to Allowing G. L. Ruggles to Raise Price of Binding.

Columbus, O., March 21.—Maud L. Pratt, former book-keeper and stenographer of the Ruggles-Gale company, and now employed in the state fire marshal's office, brought former state fire marshal S. D. Hollenbeck, of Charleston into the graft probe by testifying that he had consented to an increase in the price of the binding of certain state reports after a lower price had been agreed upon and that he told G. L. Ruggles that he could make the price as high as he liked.

All through her testimony Miss Pratt showed that Ruggles was a party to the padding of the bills.

Mr. Davis when he appeared before the committee, demanded that Miss Pratt, Judge Gale and John C. Paine be summoned as witnesses. Beatty said that they could not compel the appearance of Paine and that to let Gale testify would give him immunity. Davis exonerated himself, is trying to clear the name of his former employee, Ball, who is dead.

"Tommy—Pop, why is money called 'dust'?" Tommy's Pop—"I suppose, my son, because so many people are blinded by it."

LOVE

WAS ALL THAT LOUISE HAD TO LIVE UPON AFTER DISPOSING OF VALUABLES.

Put Her Trust in Man Whose Beauty Was of Manufactured Variety, She Claims.

Chicago, March 21.—"Love is a wonderful thing and comes only once in a person's life. I lived on it. I had to, because I had disposed of my silk stockings and underwear and most everything else to buy God. But I put my trust in a man whose beauty is of the manufactured variety and God is punishing me."

This was the statement today of Mrs. Louise Carver, wife of Chas. A. Carver, Yale graduate and "strong man," who was arraigned in police court today on charge of wife abandonment. Carver arrived from New York on the same train that brought his wife. When asked to explain what she meant by "manufactured beauty," the wife resumed:

"Well, they say Chas. is handsome. But he is one of those manufactured beauties like the parade blonde you observe on the streets. He uses face creams, hair tonics, and other lotions and things to improve his charms. He wrote a Chicago tourist a fifty-word telegram when ordering a new supply of the beautifiers and the woman was so flattered that she told her customers that Chas. was crazy about her and the story reached me."

Peary's Own Story Thrilling Adventures in Arctic Hunting: Preparations for the Long Night

Here in quick, terse language as vivid and dynamic as lightning, Commander Peary describes the great hunting; the stocking up of game food,—deer, musk oxen, and polar bear; the laying-to of the Roosevelt for the long winter night amid the ice, awaiting the Spring and the sunlight for the final dash.

No narrative since Caesar's own book on the Gallic Wars has contained such graphic detail handled in so simple and self-revelatory a style. *De Bello Gallico* is a Latin Classic; Peary's *Discovery of the North Pole*, as instalment after instalment appears, is slowly forming the conviction in men's minds that here is an Anglo-Saxon Classic.

The Vast Riches of Alaska

Will the Morgan-Guggenheim Combination Acquire Them or Will They Benefit the Who'e People?

By Benjamin B. Hampton

If you read nothing else in the whole month of April we urge you to read this Alaskan sensation. It tells the story of the great natural wealth of Alaska in figures that no mind can grasp. One estimate of the gold, the copper and the coal amounts to \$17,079,500,000, and from this the estimates range as high as one trillion, five hundred and thirteen billion, nine hundred and thirty-five million dollars!

Will you and your sons inherit this property? Or will it fall into the hands of the Morgans, the Guggenheims, the Rothschilds and perhaps other great trusts?

HAMPTON'S

APRIL ON SALE NOW 15c a Copy

Any one of these three articles is enough to cause you to say that HAMPTON'S is "The Best Magazine in America." But there are a dozen other big articles and stories in the April HAMPTON'S which you will read and enjoy. "The Prodigal Daughter," by Rheta Childe Dorr, author of "What Eight Million Women Want," is a beautiful, important, very interesting article on the dangers confronting young women. John L. Matthews shows how we can add three states to the Union by reclaiming swamp lands.

Exceptional stories by James B. Connolly, Harris Merton Lyon, Catalina Paez, Louise E. Dutton and others, in addition to the splendid departments of dramatic news, personalities, current comment, etc.

Get April HAMPTON'S from your newsdealer at once. He will quickly sell out
